DEAF DEAF WORLD WORKSHOP

for Organisations

Are you ready to participate in one of the most valuable Deaf experiences of your life?

This highly interactive workshop is for all.

Be prepared to turn off your voice and start moving your hands!

Deaf Deaf World Workshop

Ready to have one of the most valuable Deaf experiences of your life?

This workshop is the one for you.

What is the Workshop all about?

Deaf Deaf World is a valuable learning experience and resource for professionals, public servants, service providers, health providers, students and anyone with an interest in the Deaf community.

This workshop has a hands-on, fun and practical approach with a difference. It is designed to give you an idea of the main issues in the everyday lives of Deaf people. Do you want to assist in improving the quality of their experience when they come into your workplace?

By attending this workshop, you will also gain a better understanding of:

- The diversity of Deaf people
- Myths and Facts about Deaf people
- What is Auslan
- Communication strategies
- Some basic Auslan signs

Objectives of the Workshop:

- ✓ To develop awareness of and sensitivity to the communication needs of Deaf and hard of hearing people.
- ✓ To increase understanding and use of alternative communication methods when interacting with Deaf / hard of hearing people.
- ✓ To develop a basic knowledge of Deaf Culture.

The workshop can be provided anywhere in Queensland. We can come to you and provide training in the comfort of your workplace to suit your organisation.

Question: Do you know your ABC's?

How much?

The full fee for each workshop is \$1,250 (including GST) for a group of 10 to 15 people.

Each participant will receive a booklet.

Some regions may incur an additional fee for travel.

You have TWO choices:

1. Let us come to your workplace

We come to you and provide a fun-filled 2 hours with no pressure on how to begin a conversation with Deaf people (namely your customers, clients, staff and friends)

2. Go on with business as usual

Where you will have no exposure to the Deaf world and possibly have great difficulty when Deaf customers and clients come and see you.

YOU DECIDE!
